PROCLAMATION

Mental Health Awareness Month 2019

WHEREAS, mental health is essential to everyone's overall health and well-being; and

WHEREAS, all Americans experience times of difficulty and stress in their lives; and

WHEREAS, prevention is an effective way to reduce the burden of mental health conditions; and

WHEREAS, mental health conditions are real and prevalent in our community; and

WHEREAS, with effective treatment, those individuals with mental health and other chronic health conditions can recover and lead full, productive lives; and

WHEREAS, each business, school, government agency, healthcare provider, organization and citizen shares the burden of mental health challenges and has a responsibility to promote mental wellness and support prevention efforts.

THEREFORE, BE IT RESOLVED, that the Wyoming County Board of Supervisors does hereby proclaim May 2019 to be

Mental Health Awareness Month 2019

IN WITNESS THEREOF, I have hereunto set my hand and caused the

SEAL of the COUNTY OF WYOMING to be affixed this th day of May

, 2019

A.D. BERWANGER, Chairman
Wyoming County Board of Supervisors

Additional Areas of Interest:

On March 1st, this office received notice from NYS DEC Spills Division that a contamination event had occurred in the Attica Reservoir Watershed resulting in manure flowing onto the Attica Reservoir. Manure was being spread on a field near the reservoir with a large amount flowing off of the field into a drainage creek flowing into the reservoir. Efforts were made by the farmer and its consultant, WNY Crop, to divert and/or contain the spill but a large amount was confirmed in the reservoir. NYS DEC will be initiating an Enforcement Action against the farmer for violating its CAFO permit.

On March 5th this office held the annual Children's Camp workshop. This workshop is a joint effort with NYSDOH and is meant to update the operators of children's camps within Wyoming County. These updates include any potential code changes and/or operational issues that may affect them over the upcoming camping season. The workshop was attended by 23 people representing 16 of our 21 anticipated children's camps.

On March 9th an Anti-Rabies Vaccination Clinic was held in Rock Glen at the County Highway Department. There were 208 animals (169 Dogs, 37 Cats, 2 Ferrets) vaccinated at this clinic. A total of \$312.00 was collected in donations and out of county fees. Eleven animals were from out of the county.

This office held the annual Certified Water Operators Training Course on March 20th at the Wyoming County Agricultural Center. This course benefits the certified water operators, representing most of the community water systems within Wyoming County, by providing them with information that will support them with the operation of their respective systems. In addition, 5 contact training credits are issued to assist the operators with their required renewal training credits. This year's training was well attended with 52 operators in attendance. Evaluations were positive with the location being well received.

On March 27th Andrew Meyer (WCHD Sanitarian) and the Environmental Health Director attended the NYSACHO 2019 Environmental Health Summit in Albany. The summit addressed ongoing concerns and regulatory oversight of cooling towers as well as legionella outbreaks and response.
