## STATE OF EMERGENCY DECLARATION

A State of Emergency is hereby declared in Wyoming County, State of New York effective at 10:10 a.m. on May 18, 2023, and will remain in effect for thirty (30) days or until rescinded by subsequent order.

This State of Emergency has been declared due to the County of Wyoming experiencing a housing crisis which exceeds our limited number of temporary and permanent emergency housing facilities. Wyoming County does not have the capability to receive or sustain any number of migrants and/or asylum seekers.

This situation threatens the public safety.

This State of Emergency will remain in effect until rescinded by a subsequent order.

As the Chairwoman of the Board of Supervisors of the County of Wyoming, I, Rebecca J. Ryan, exercise the authority given to me under Article 2-B, Section 24 of the New York State Executive Law, to preserve the public safety and hereby render all required and available assistance vital to the security, well-being, and health of the citizens of Wyoming County.

I hereby direct all departments and agencies of Wyoming County to take the steps necessary to protect life and property, public infrastructure and provide such emergency assistance as deemed necessary.

Additional local emergency orders may be promulgated during this state of emergency in order to protect life and property and to bring the emergency condition under control.
