

AGRICULTURAL DATA STATEMENT

Per § 305-a of the New York State Agriculture and Markets Law, any application for a special use permit, site plan approval, use variance, or subdivision approval requiring municipal review and approval that would occur on property within a New York State Certified Agricultural District containing a farm operation or property with boundaries within 500 feet of a farm operation located in an Agricultural District shall include an Agricultural Data Statement.

Special Use Permit Site Plan Approval Area Variance Use Variance Subdivision Approval

1. Name of applicant: _____

2. Mailing address: _____

3. Phone number: _____ 4. E-mail: _____

5. Project site address: _____

6. Project site tax map number: _____

7. Description of the proposed project. Please include the operating characteristics, any known impacts on existing stormwater drainage, any changes to existing vegetation e.g. trees, hedgerows, or other significant natural plant material. Write on the back of this form, or add more sheets, as necessary:

8. Number of acres affected by the project: _____

9. Is any portion of the project site currently being farmed: yes no

10. Names and addresses of owners of land which contain farm operations within the Agricultural District, which land contains farm operations and is located within 500 feet of the boundaries of the property upon which this project is proposed (attach additional sheets if more space is needed):

(a) _____ (c) _____

(b) _____ (d) _____

11. Applicant must attach a tax map or other map showing the site of the proposed project in relation to the farming operations identified in number 10 above.

Signature of applicant: _____ Date: _____

FARM NOTE: Prospective residents should be aware that farm operations may generate dust, odor, smoke, noise, vibration and other conditions that may be objectionable to nearby properties. Local governments shall not unreasonably restrict or regulate farm operations within State Certified Agricultural Districts unless it can be shown that the public health or safety is threatened.
