Subjects of examination: A written test designed to evaluate knowledge, skills and /or abilities in the following areas:

1. Interpreting and applying written Social Welfare program materials, and using basic arithmetic in determining eligibility for assistance.

Secondly, you will be given sets of written instructions and regulations regarding such Social Services programs as cash assistance, medical assistance, and Supplemental Nutrition Assistance Program (SNAP) benefits.

You must read and understand the instructions given, including schedules of arithmetic figures, and apply these instructions to hypothetical case problems. Some questions require using arithmetic to compute the correct amount of assistance.

Previous knowledge of Social Services programs or the eligibility process is not required.

In addition, some questions may deal with contacting or interacting with other community organizations and agencies to benefit the client or the general public.
