

Immunizations are for everyone!

Wyoming County Health Department Immunization Program

This program offers full immunization coverage for children up to age 18, FREE! Please be sure to bring your child's immunization record. Immunizations are also available for adults. Fees vary per adult vaccination (Hep A, Hep B, MMR, Meningococcal, Td, Tdap, Pneumococcal, Varicella, Gardasil, Zostavax)

The Wyoming County Health Department holds Immunization Clinics on the first, second, third and fourth Tuesdays of every month. Walk-in clinics are held on the first Tuesday of the month from 1pm until 4pm; and the third Tuesday of the month from 9am until 11:30am.

By-Appointment clinics are held on the second and fourth Tuesdays of the month from 9:00am until 11:30am. To schedule an appointment, please call 585-786-8890.
