Dogs, cats and ferrets three months of age or over will be inoculated at these clinics. The initial vaccination is good for one year only. For dogs and cats each vaccination thereafter will be effective for a period of three years. Ferrets must be vaccinated yearly.

Animals must be accompanied by someone able to control them.

This is a free clinic to Wyoming County residents. Donations gratefully accepted. Out of county residents will be charged \$5.00 per pet vaccinated.

If you have any questions, please call the Wyoming County Health Department at 786-8894.
