Wyoming County Board of Supervisors Chairwoman, Rebecca J. Ryan announced as of Thursday, December 24, 2020, the Wyoming County Health Department reports nine hundred seventy-nine (979) lab-confirmed positive community cases of COVID-19 among Wyoming County residents. This is an increase of eighteen (18) cases from the last reported increase on Wednesday, December 23, 2020.

From the New York State Department of Health: The first New Yorkers to receive the COVID-19 vaccine, as part of the New York State Vaccination Plan in Phase 1, will be high-risk hospital workers, nursing home residents, nursing home staff, EMS workers, certain long-term and congregate care residents and staff, other health care workers, coroners, funeral home workers and medical examiners. Visit the NYS Department of Health site for more information at <https://covid19vaccine.health.ny.gov/>. More information will be released for Wyoming County priority populations as it becomes available.
