

Waste Management  
100 Ransier Drive  
West Seneca, NY 14224  
800.972.4545

**Dear Wyoming County Resident,**

WM is pleased to partner with Wyoming County as we continue servicing all eligible residents in the County for trash and recycling collection. We are excited to be rolling out an enhanced cart-based garbage collection service by providing trash and recycling carts for all residents. **This new service will come with some changes outlined in a brochure that will arrive at your house within the next couple of weeks. Additionally, please reference your service day and recycling week that will become effective May 2<sup>nd</sup> enclosed with this letter.**

WM will be utilizing a new fleet of automated side loaders for a collection consisting of separate trash collection, recycling collection, and bulk collection trucks. The new WM garbage and recycling carts are designed specifically for the new fleet of automated side loaders. It's important to note that garbage, recycling, bulk collection trucks will arrive at different times during the day on your collection day. **To ensure collection, it's always best to have materials out by 6 AM on your garbage day.**

We will begin distributing over 23,000 garbage and recycling carts across the County to all households participating in the Wyoming County/Waste Management solid waste collection in April. Residents of each town and village will be informed in advance when their garbage and recycling carts will be delivered to their homes. It will take the entire month of April to complete the delivery of carts to each participating town and village. It's important to note that some communities will receive their carts earlier than others. Please feel free to use your new carts as soon as they arrive at your home.

**After May 2**, WM will no longer collect garbage or recycling that isn't placed in a designated WM totes provided to each household.

Look for all necessary information provided in the mailer heading to your home or on the WM-Wyoming County-specific website ([home.wm.com/Wyoming-County](http://home.wm.com/Wyoming-County)). If you have questions, please contact our customer service department at 1-800-972-4545.

Sincerely,

WM
